## 1986 IN REVIEW . . .

Last year marked the beginning of a rebirth at Indian Lake... the Lodge opened for business. It was a growth year, a learning year, and a year to rekindle feelings about a lodge that was closed for eleven years.

## NEW SALES DIRECTOR

We are proud to announce that GERRY BAKER has been appointed full time Banquet and Sales Director for the Indian Lake Lodge. Gerry has much experience in this field as she was Asst. Banquet Manager for the Sheraton Hotel in Greensburgh, set up the Banquet Dept. for ARA Services in the Pittsburgh Convention Center and Managed the Sidewalk Cafe at the Sheraton Hotel, Station Square. Gerry also has an Associate Degree in Hotel/Motel Mgm.

If you have any future plans for parties or banquets, Gerry would be happy to plan it for you and make it a super success!!

In early February of 1986, the Dining Room and the Skylight Lounge opened to the public with a limited menu. Work continued in the Spa/Pool area until its opening in April. The 9-hole Lakewood Golf Course opened in late May with newly planted greens, new carts, and a new addition to the Pro-Shop. Major renovation to the Condominium Hotel progressed inside and out with the first rooms opening for occupancy in Late July. The Ski Slopes opened at the end of December marking the achievement of our goal to have the entire facility open in 1986.

The first year of operation has helped to develop a format for the kind of place you want to patronize... thank you for standing behind us in year 1.

## Year #2 in Preview...

The coming year promises much more at the Indian Lake Lodge. The addition of a New Lobby, a new parking lot, repair to the tennis court, opening of the remainder of the ski slopes and lifts, a docking facility and improved beach area on the lake....new entertainment, new food specials, new membership plans, more "under 21" activities, and better service to our customers in all areas of the Lodge.
